

Infoline

INFOLINE

The INFOLINE range - for years the proven solution for cash desks! Wherever you want to display information in a tidy and space saving way, INFOLINE is the right choice. Quality and workmanship as well as the wide standard range and flexibility are making this system the ideal solution for all applications!

All INFOLINE 400 stands for 5 slim A4 frames are fitted with a black plastic back, allowing to fix frames in 3 different heights. Stands with 10 frames come with a grey metallic back (not adjustable in height).

For INFOLINE 400 stand please note:
INFOLINE 401: with 1 hinge
INFOLINE 402: with 2 hinges
INFOLINE 400A: with 1 hinge, adjustable tube

Remark:
 All SK bases are with 2 hole drillings. For stability we recommend to screw them onto the desk.

Colours:
 All stands can also be supplied with multicoloured frames. Please indicate by using 00 as colour code.
